Dear Supervisors:

CONTRACT BETWEEN THE COUNTY OF LOS ANGELES AND CAPITA TECHNOLOGIES INC. FOR CASE360 APPLICATION MANAGEMENT SERVICES

CIO RECOMMENDATION: APPROVE (X) APPROVE WITH MODIFICATION
()
DISAPPROVE ()

SUBJECT

Approval of a contract between the County of Los Angeles on behalf of the Information Systems Advisory Body and Capita Technologies Inc. for Case360 Application Management Services.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and authorize the Director of Information Systems Advisory Body (ISAB) to finalize and execute a contract with Capita Technologies Inc. (Capita) for Case360 Application Management Services (Contract), substantially similar to the attached Contract, for a period of two (2) years (Initial Term) with up to two (2) additional one-year option periods (Extended Term) at County's sole option, at an annual cost of \$390,000 for a maximum total Contract Sum of \$1,560,000 for the four year term of the Contract.

2. Delegate authority to the Director of ISAB during the Extended Term (i) to increase the rates for Services up to 4 percent per year from the previous year and (ii) to increase the Contract Sum by no more than 10 percent cumulatively.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended Contract is to provide Case360 Application Management Services (Services) for the ongoing maintenance, enhancement and operational support of County applications developed and implemented using CASE360 application software development tool licensed by ISAB from OpenText Corporation (OpenText), f/k/a Global 360, Inc. (Global 360), and currently operated by the Alternate Public Defender, District Attorney, Probation, Public Defender and Sheriff Departments.

The County currently has a number of Case360 applications in production or in development for production deployment soon, with additional Case360 applications in discussion for future development. These include:

1. DNA Offender Tracking System (DOTS)
2. Alternate Public Defender Document Management System
3. Sheriff's Records and Identification Bureau Request Tracking System
4. Sheriff's Electronic Criminal Document Archive (SECDA) System
5. District Attorney Document Management
6. Public Defender Forms Project
7. Probation PEDMS conversion

Like any enterprise software platform, Case360 requires platform expertise to manage and maintain, including tasks such as setting up and configuring Case360 applications, keeping the core software versions up-to-date, addressing minor application change requests, applying security patch updates and generally assuring system uptime and reliability. With multiple Case360 applications in or nearing production, economies of scale can be realized by having a single resource maintain those applications. The application management services sought by this Contract are designed to maintain County's Case360 production systems from end-user administration through application maintenance and system upgrades. Capita consultants will work with County resources to ensure that systems are managed and maintained as designed and are kept up-to-date with the latest releases and features of the OpenText Case360 base product.

Implementation of Strategic Plan Goals

The public/private partnership between the County of Los Angeles and Capita supports Strategic Plan Goals No. 1, Operational Effectiveness, Goal No. 2, Fiscal Responsibility, and Goal No. 3, Integrated Service Delivery, by providing responsive, efficient and high quality public service through teamwork and collaboration.

FISCAL IMPACT/FINANCING

The maximum County obligation under the proposed Contract is \$1,560,000 over the entire Contract term, including the Initial Term of two (2) years and the Extended Term of up to two (2) additional years. Funding for this Contract will be provided by current budget allocations with ongoing year costs budgeted each fiscal year.

No new net County funds are being requested for this Contract. There are no other fiscal impacts.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

This is not a Proposition A Contract, since approval of this Contract will not displace County employees, and the Services offered under this Contract currently cannot be performed by the individual County Departments due to the need for specialized skills. Further, ISAB will not require Capita to perform Services in excess of the Board approved Contract Sum, scope of work and/or Contract dates.

The Contract contains all the latest Board required and policy driven provisions, such as Consideration of GAIN/GROW Program Participants for Employment, Compliance with Jury Service Program, Safely Surrendered Baby Law, Assignment and Delegation and Budget Reductions.

The Chief Information Office (CIO) recommends approval of this Contract (CIO Analysis attached). County Counsel has reviewed and approved this Contract as to form.

CONTRACTING PROCESS

On March 23, 2012, the County released a Request for Proposals (RFP) for Case360 Application Management Services. One proposal from Capita was received by the closing date of April 23, 2012. The proposal was evaluated and selected as qualified after meeting all RFP minimum requirements. ISAB interviewed Capita's proposed staff on May 8, 2012. The County has selected Capita based upon price, technical capability and the proposed staff.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

On April 7, 2010, ISAB contracted with Global 360 (now OpenText) for similar services using the CIO's Master Services Agreement (MSA). After reaching the \$300,000 threshold for the CIO Global360 work order beyond which Board approval is required, ISAB issued an RFP to secure the required Services under a Board approved contract. This Contract will insure the continuation of a collaborative, cost effective application maintenance and management strategy for the various Case360 applications within the ISAB community.

CONCLUSION

Upon your Board's approval, it is requested that the Executive Officer, Clerk of the Board of Supervisors, return two (2) adopted stamped copies of the Board letter to: Information Systems Advisory Body, Attention Felix Basadre, Assistant Director, 12750 Center Court Drive, Suite 500, Cerritos, CA 90703.

Contractor shall remove and replace any employee working on this Contract when requested to do so by County. Request will be submitted to Contractor by County in writing stating the reasons for the removal, provided that such reasons are based on reported instances of malfeasance, impropriety or violation of Contractor or County rules by the employee.

7.4 BACKGROUND AND SECURITY INVESTIGATIONS

- 7.4.1 At any time prior to or during term of this Contract, County may require that all Contractor's staff performing work under this Contract undergo and pass, to the satisfaction of County, a background investigation, as a condition of beginning and continuing to work under this Contract. County shall use its discretion in determining the method of background clearance to be used, up to and including a County performed fingerprint security clearance. The fees associated with obtaining the background information shall be at the expense of Contractor, regardless of whether Contractor's staff passes or fails the background clearance investigation.

- 7.4.2 County may request that Contractor's staff be immediately removed from working on the County Contract at any time during the term of this Contract. County will not provide to Contractor nor to Contractor's staff any information obtained through County conducted background clearance.
- 7.4.3 County may immediately, at its sole discretion, deny or terminate facility access to any of Contractor's staff that does not pass such investigation(s) to the satisfaction of County whose background or conduct is incompatible with County facility access.
- 7.4.4 Disqualification, if any, of Contractor's staff pursuant to this Paragraph 7.4 shall not relieve Contractor of its obligation to complete all Services and other work in accordance with the terms and conditions of this Contract.

7.5 CONTRACTOR'S STAFF IDENTIFICATION

Contractor shall, at its sole expense, furnish and require every on-duty employee providing services under this Contract at a County facility to wear a visible photo identification badge identifying employee by name, physical description and company. 8. CHANGE NOTICES AND AMENDMENTS

- 8.1 No representative of either County or Contractor, including those named in this Contract, is authorized to make any changes in any of the terms, obligations or conditions of this Contract, except through the procedures set forth in this Paragraph 8. County reserves the right to change any portion of the work required under this Contract or to amend such other terms and conditions, which may become necessary. Any such revisions shall be accomplished only as provided in this Paragraph 8.
- 8.2 For any change which does not materially affect the scope of work or any other term or condition included under this Contract, a Change Notice shall be prepared in writing and signed by County's Project Director, or designee, and Contractor's Project Manager.
- 8.3 Except as otherwise provided in this Contract, for any change which materially affects the scope of work or any term or condition included in this Contract, a negotiated Amendment to this Contract shall be executed in writing by County's Board of Supervisors and Contractor's authorized representative(s). - 9.1 Contractor shall not assign its rights or delegate its duties under this Contract, or both, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this Paragraph 9.1, County consent shall require a written Amendment to the Contract, which is

formally approved and executed by the parties. Any payments by County to any approved delegate or assignee on any claim under this Contract shall be deductible, at County's sole discretion, against the claims, which Contractor may have against County.

- 9.2 Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Contract, such disposition is an assignment requiring the prior written consent of County in the form of an Amendment in accordance with applicable provisions of this Contract, including the need for an Amendment.
- 9.3 Any assumption, assignment, delegation, or takeover of any of Contractor's duties, responsibilities, obligations, or performance of same by any entity other than Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be a material breach of the Contract which may result in the termination of this Contract. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.
- 9.4 For any change affecting Contractor's Administration or Contractor's project personnel, Contractor shall submit to County Project Director, with a copy to County's Project Manager, written notification and request to effect the requested change. County's Project Director or designee may accept or reject such notification and request.

11. BUDGET REDUCTIONS

In the event that County's Board of Supervisors adopts, in any Fiscal Year, a County Budget which provides for reductions in the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to County contracts, County reserves the right to reduce its payment obligation under this Contract correspondingly for that Fiscal Year and any subsequent Fiscal Year during the term of this Contract (including any extensions), and the Services and other work to be provided by Contractor under this Contract shall also be reduced correspondingly. County's notice to Contractor regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such actions. Except as set forth in the preceding sentence, Contractor shall continue to provide all of the Services and other work set forth in this Contract.

12. COMPLIANCE WITH APPLICABLE LAW

- 12.1 In the performance of this Contract, Contractor shall comply with all applicable Federal, State and local laws, rules, regulations, ordinances, directives, guidelines, policies and procedures, and

all provisions required thereby to be included in this Contract are hereby incorporated herein by reference.

- 12.2 Contractor shall indemnify, defend, and hold harmless County, its officers, employees, and agents, from and against any and all claims, demands, damages, liabilities, losses, costs, and expenses, including, without limitation, defense costs and legal, accounting and other expert, consulting or professional fees, arising from, connected with, or related to any failure by Contractor, its officers, employees, agents, or subcontractors, to comply with any such laws, rules, regulations, ordinances, directives, guidelines, policies, or procedures, as determined by County in its sole judgment. Any legal defense pursuant to Contractor's indemnification obligations under this Paragraph 12 shall be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Contractor shall not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County's prior written approval.

13. COMPLIANCE WITH CIVIL RIGHTS LAWS

Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17), to the end that no person shall, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical handicap, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract. Contractor shall comply with Exhibit D (Contractor's EEO Certification).

14. COMPLIANCE WITH COUNTY'S JURY SERVICE PROGRAM

14.1 JURY SERVICE PROGRAM

This Contract is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of which is attached hereto as Exhibit H (Jury Service Ordinance) and incorporated herein by reference.

14.2 WRITTEN EMPLOYEE JURY SERVICE POLICY

1. Unless Contractor has demonstrated to County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from Contractor, on an annual basis, no less than five (5) days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with Contractor or that Contractor deduct from the Employee's regular pay the fees received for jury service.
2. For purposes of this Paragraph 14, "Contractor" means a person, partnership, corporation or other entity which has a contract with County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full-time employee of Contractor. "Full-time"

means 40 hours or more worked per week, or a lesser number of hours if: (1) the lesser number is a recognized industry standard as determined by the County, or (2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for County under the Contract, the subcontractor shall also be subject to the provisions of this Paragraph 14. The provisions of this Paragraph 14 shall be inserted into any such subcontract agreement, and a copy of the Jury Service Program shall be attached to the agreement.

3. If Contractor is not required to comply with the Jury Service Program when the Contract commences, Contractor shall have a continuing obligation to review the applicability of its “exception status” from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program’s definition of “Contractor” or if Contractor no longer qualifies for an exception to the Jury Service Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. County may also require, at any time during the Contract and at its sole discretion, that Contractor demonstrate to County’s satisfaction that Contractor either continues to remain outside of the Jury Service Program’s definition of “Contractor” and/or that Contractor continues to qualify for an exception to the Program.
4. Contractor’s violation of this Paragraph 14 of the Contract may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract and/or bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

15. CONFLICT OF INTEREST

- 15.1 No County employee whose position with County enables such employee to influence the award of this Contract or any competing Contract, and no spouse or economic dependent of such employee, shall be employed in any capacity by Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of Contractor who may financially benefit from the performance of work hereunder shall in any way participate in County’s approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence County’s approval or ongoing evaluation of such work.
- 15.2 Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. Contractor warrants that it is not now aware of any facts that create a conflict of interest. If Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this Paragraph 15 shall be a material breach of this Contract.

16. CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST

Should Contractor require additional or replacement personnel after the Effective Date to perform the services set forth herein, Contractor shall give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the term of this Contract.

17. CONSIDERATION OF HIRING GAIN/GROW PROGRAM PARTICIPANTS

- 17.1 Should Contractor require additional or replacement personnel after the Effective Date, Contractor shall give consideration for any such employment openings to participants in County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that Contractor will interview qualified candidates. County will refer GAIN/GROW participants by job category to Contractor.
- 17.2 In the event that both the laid-off County employees and the GAIN/GROW participants are available for hiring, County employees shall be given first priority.

18. CONTRACTOR RESPONSIBILITY AND DEBARMENT

18.1 RESPONSIBLE CONTRACTOR

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the Contract. It is County's policy to conduct business only with responsible contractors.

18.2 CHAPTER 2.202 OF THE COUNTY CODE

Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if County acquires information concerning the performance of Contractor on this or other contracts which indicates that Contractor is not responsible, County may, in addition to other remedies provided in the Contract, debar Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing contracts Contractor may have with County.

18.3 NON-RESPONSIBLE CONTRACTOR

County may debar a Contractor if the Board of Supervisors finds, in its discretion, that Contractor has done any of the following: (1) violated a term of a contract with County or a nonprofit corporation created by County, (2) committed an act or omission which negatively reflects on Contractor's quality, fitness or capacity to perform a contract with County, any other public entity, or a nonprofit corporation created by County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against County or any other public entity.

18.4 CONTRACTOR HEARING BOARD

1. If there is evidence that Contractor may be subject to debarment, County will notify Contractor in writing of the evidence which is the basis for the proposed debarment and will advise Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
2. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. Contractor and/or Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether Contractor should be debarred, and, if so, the appropriate length of time of the debarment. Contractor and County shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.
3. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
4. If Contractor has been debarred for a period longer than five (5) years, that Contractor may, after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of County.
5. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.
6. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

18.5 SUBCONTRACTORS OF CONTRACTOR

These terms of this Paragraph 18 shall also apply to subcontractors of County contractors.

19. CONTRACTOR’S ACKNOWLEDGEMENT OF COUNTY’S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW

Contractor acknowledges that County places a high priority on the implementation of the Safely Surrendered Baby Law. Contractor understands that it is County’s policy to encourage all County Contractors to voluntarily post County’s “Safely Surrendered Baby Law” poster in a prominent position at Contractor’s place of business. Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor’s place of business. County’s Department of Children and Family Services will supply Contractor with the poster to be used. Information on how to receive the poster can be found on the Internet at www.babysafela.org.

20. CONTRACTOR’S WARRANTY OF ADHERENCE TO COUNTY’S CHILD SUPPORT COMPLIANCE PROGRAM

- 20.1 Contractor acknowledges that County has established a goal of ensuring that all individuals who benefit financially from County through Contract are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.
- 20.2 As required by County’s Child Support Compliance Program (County Code Chapter 2.200) and without limiting Contractor’s duty under this Contract to comply with all applicable provisions of law, Contractor warrants that it is now in compliance and shall during the term of this Contract maintain in compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

21. CONTRACTOR’S WARRANTY OF COMPLIANCE WITH COUNTY’S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this Contract will maintain compliance, with Los Angeles County Code Chapter 2.206.

22. COUNTY’S QUALITY ASSURANCE PLAN

County or its agent will evaluate Contractor’s performance under this Contract on not less than an annual basis. Such evaluation will include assessing Contractor’s compliance with all Contract terms and conditions and performance standards. Contractor deficiencies which County

determines are severe or continuing and that may place performance of the Contract in jeopardy if not corrected will be reported to the Board of Supervisors. The report will include improvements/corrective action measures taken by County and Contractor. If improvement does not occur consistent with the corrective action measures, County may terminate this Contract or impose other penalties as specified in this Contract.

23. DAMAGE TO COUNTY FACILITIES, BUILDINGS AND GROUNDS

- 23.1 Contractor shall repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings or grounds caused by Contractor or employees or agents of Contractor. Such repairs shall be made immediately after Contractor has become aware of such damage, but in no event later than thirty (30) days after the occurrence.
- 23.2 If Contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs shall be repaid by Contractor by cash payment upon demand.

24. EMPLOYMENT ELIGIBILITY VERIFICATION

- 24.1 Contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this Contract meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. Contractor shall obtain, from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), or as they currently exist and as they may be hereafter amended. Contractor shall retain all such documentation for all covered employees for the period prescribed by law.
- 24.2 Contractor shall indemnify, defend, and hold harmless, County, its agents, officers, and employees from employer sanctions and any other liability which may be assessed against Contractor or County or both in connection with any alleged violation of any Federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Contract.

25. FACSIMILE REPRESENTATIONS

County and Contractor hereby agree to regard facsimile representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Amendments and Change Notices prepared pursuant to Paragraph 8 (Change Notices and Amendments) and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed to Amendments and Change Notices to this Contract, such that the parties need not follow up facsimile transmissions of such documents with subsequent (non-facsimile) transmission of “original” versions of such documents.

26. FAIR LABOR STANDARDS

Contractor shall comply with all applicable provisions of the Federal Fair Labor Standards Act and shall indemnify, defend, and hold harmless County and its agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not

limited to, the Federal Fair Labor Standards Act, for work performed by Contractor's employees for which County may be found jointly or solely liable.

27. FORCE MAJEURE

- 27.1 Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this Paragraph 27 as "force majeure events").
- 27.2 Notwithstanding the foregoing, a default by a subcontractor of Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this Paragraph 27, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.
- 27.3 In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

28. GOVERNING LAW, JURISDICTION AND VENUE

This Contract shall be governed by, and construed in accordance with, the laws of the State of California. Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Contract and further agrees and consents that venue of any action brought hereunder shall be exclusively in the County of Los Angeles.

29. INDEPENDENT CONTRACTOR STATUS

- 29.1 This Contract is by and between County and Contractor and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between County and Contractor. The employees and agents of one party shall not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.
- 29.2 Contractor shall be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Contract all compensation and benefits. County shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of Contractor.
- 29.3 Contractor understands and agrees that all persons performing work pursuant to this Contract are, for purposes of Workers' Compensation liability, solely employees of Contractor and not employees of County. Contractor shall be solely liable and responsible for furnishing any and all Workers' Compensation benefits to any person as a result of any injuries arising from or connected with any work performed by or on behalf of Contractor pursuant to this Contract.

29.4 Contractor shall adhere to the provisions stated in Paragraph 42 (Confidentiality).

30. INDEMNIFICATION

Contractor shall indemnify, defend and hold harmless County, its Special Districts, elected and appointed officers, employees, and agents from and against any and all liability, including but not limited to demands, claims, actions, fees, costs, and expenses (including attorney and expert witness fees), arising from or connected with Contractor's acts and/or omissions arising from and/or relating to this Contract.

31. GENERAL INSURANCE REQUIREMENTS

Without limiting Contractor's indemnification of County and in the performance of this Contract and until all of its obligations pursuant to this Contract have been met, Contractor shall provide and maintain at its own expense insurance coverage satisfying the requirements specified in this Paragraph 31 and Paragraph 32 (Insurance Coverage Requirements) of the Base Contract. These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Contractor pursuant to this Contract. County in no way warrants that the Required Insurance is sufficient to protect Contractor for liabilities which may arise from or relate to this Contract.

31.1 EVIDENCE OF COVERAGE AND NOTICE TO COUNTY

A certificate(s) of insurance coverage (Certificate) satisfactory to County and a copy of an Additional Insured endorsement confirming that County and its Agents (defined below) have been given Insured status under Contractor's General Liability policy, shall be delivered to County at the address shown below and provided prior to commencing services under this Contract.

Renewal Certificates shall be provided to County not less than ten (10) days prior to Contractor's policy expiration dates. County reserves the right to obtain complete, certified copies of any required Contractor and/or subcontractor insurance policies at any time.

Certificates shall identify all Required Insurance coverage types and limits specified herein, reference this Contract by name or number, and be signed by an authorized representative of the insurer(s). The Insured party named on the Certificate shall match the name of Contractor identified as the contracting party in this Contract. Certificates shall provide the full name of each insurer providing coverage, its NAIC (National Association of Insurance Commissioners) identification number, its financial rating, the amounts of any policy deductibles or self-insured retentions exceeding fifty thousand (\$50,000.00) dollars, and list any County required endorsement forms.

Neither County's failure to obtain, nor County's receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by Contractor, its insurance broker(s) and/or insurer(s), shall be construed as a waiver of any of the Required Insurance provisions.

Certificates and copies of any required endorsements shall be sent to County's Project Director, with a copy to County's Project Manager, at the address set forth in Exhibit E (County's Administration).

Contractor also shall promptly report to County any injury or property damage accident or incident, including any injury to a Contractor employee occurring on County property, and any loss, disappearance, destruction, misuse, or theft of County property, monies or securities entrusted to Contractor. Contractor also shall promptly notify County of any third party claim or suit filed against Contractor or any of its subcontractors which arises from or relates to this Contract, and could result in the filing of a claim or lawsuit against Contractor and/or County.

31.2 ADDITIONAL INSURED STATUS AND SCOPE OF COVERAGE

The County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, Employees and Volunteers (collectively County and its Agents) shall be provided additional insured status under Contractor's General Liability policy with respect to liability arising out of Contractor's ongoing and completed operations performed on behalf of County. County and its Agents additional insured status shall apply with respect to liability and defense of suits arising out of Contractor's acts or omissions, whether such liability is attributable to Contractor or to County. The full policy limits and scope of protection also shall apply to County and its Agents as an additional insured, even if they exceed County's minimum Required Insurance specifications herein. Use of an automatic additional insured endorsement form is acceptable providing it satisfies the Required Insurance provisions herein.

31.3 CANCELLATION OF INSURANCE

Except in the case of cancellation for non-payment of premium, Contractor's insurance policies shall provide, and Certificates shall specify, that County shall receive not less than thirty (30) days advance written notice by mail of any cancellation of the Required Insurance. All such material shall be maintained by Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at County's option, Contractor shall pay County for travel, per diem, and other costs incurred by County to examine, audit, excerpt, copy, or transcribe such material at such other location.

- 45.1 In the event that an audit of Contractor is conducted specifically regarding this Contract by any Federal or State auditor, or by any auditor or accountant employed by Contractor or otherwise, then Contractor shall file a copy of such audit report with County's Auditor Controller within thirty (30) days of Contractor's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Contract. Subject to applicable law, County shall make a reasonable effort to maintain the confidentiality of such audit report(s).
- 45.2 Failure on the part of Contractor to comply with any of the provisions of this Paragraph 45 shall constitute a material breach of this Contract upon which County may terminate or suspend this Contract.
- 45.3 If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of County conduct an audit of Contractor regarding the work performed under this Contract, and if such audit finds that County's dollar liability for any such work is less than payments made by County to Contractor, then the difference shall be either: a) repaid by Contractor to County by cash payment upon demand or b) at the sole option of County's Auditor-Controller, deducted from any amounts due to Contractor from County, whether under this Contract or otherwise. If such audit finds that County's dollar liability for such work is more than the payments made by County to Contractor, then the difference shall be paid to Contractor by County by cash payment, provided that in no event shall County's maximum obligation for this Contract exceed the funds appropriated by County for the purpose of this Contract.

- 47.4 Contractor shall remain fully responsible for all performances required of it under this Contract, including those that Contractor has determined to subcontract, notwithstanding County's approval of Contractor's proposed subcontract.
- 47.5 County's consent to subcontract shall not waive County's right to prior and continuing approval of any and all personnel, including subcontractor employees, providing services under this Contract. Contractor is responsible to notify its subcontractors of this County right.

- 50.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.

After such determination is made, County shall pay Contractor the amount so determined.
- 50.4 Subject to the provisions of Paragraphs 50.1 and 50.2 above, County and Contractor shall negotiate an equitable amount to be paid to Contractor by reason of the total or partial termination of work pursuant to this Paragraph 50. Said amount may include a reasonable allowance for profit on work done but shall not include an allowance on work terminated. County shall pay the agreed amount; subject to other limitations and provided that such amount shall not exceed the total funding obligated under this Contract as reduced by the amount of payments otherwise made and as further reduced by the contract price of work not terminated.
- 50.5 All material including books, records, documents, or other evidence bearing on the costs and expenses of Contractor under this Contract shall be maintained by Contractor in accordance with Paragraph 45 (Record Retention and Inspection/Audit Settlement).

- 51.2 In the event that County terminates this Contract in whole or in part as provided in Paragraph 51.1, County may procure, upon such terms and in such manner as County may deem appropriate, goods and services similar to those so terminated. Contractor shall be liable to County for any and all excess costs incurred by County, as determined by County, for such similar goods and services. Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this Paragraph 51.2.
- 51.3 Except with respect to defaults of any subcontractor, Contractor shall not be liable for any such excess costs of the type identified in Paragraph 51.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both Contractor and subcontractor, and without the fault or negligence of either of them, Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this Paragraph 52.3, the terms "subcontractor" and "subcontractors" mean subcontractor(s) at any tier.
- 51.4 If, after County has given notice of termination under the provisions of this Paragraph 51, it is determined by County that Contractor was not in default under the provisions of this Paragraph 51, or that the default was excusable under the provisions of Paragraph 51.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Paragraph 50 (Termination for Convenience).
- 51.5 The rights and remedies of County provided in this Paragraph 51 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment, or extension of this Contract or the making of any determinations with respect to Contractor's performance pursuant to this Contract. 55. TERMINATION FOR NON-APPROPRIATION OF FUNDS

Notwithstanding any other provision of this Contract, County shall not be obligated for Contractor's performance hereunder or by any provision of this Contract during any of County's future Fiscal Years unless and until the Board of Supervisors appropriates funds for this Contract in County's budget for each such future Fiscal Year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last Fiscal Year for which

funds were appropriated. County shall notify Contractor in writing of any such non-allocation of funds at the earliest possible date.

The rights and remedies set forth in this Paragraph 58 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

Failure on the part of any County lobbyist retained by Contractor to fully comply with the County Lobbyist Ordinance shall constitute a material breach of this Contract upon which County may immediately terminate or suspend this Contract. Contractor shall comply with all conflict of interest laws, ordinances and regulations now in effect or hereafter to be enacted during the term of this Contract. Contractor warrants that it is not now aware of any facts which do or could create a conflict of interest. If Contractor hereafter becomes aware of any facts which might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to County. 61. PROPRIETARY RIGHTS

- 61.1 County shall be the sole owner of all right, title and interest, including copyright, in and to all information, data, plans, diagrams, reports and other documents and records (hereafter "materials") which are originated or created through Contractor's work pursuant to this Contract. - 61.4 County will use reasonable means to ensure that Contractor's proprietary and/or confidential items are safeguarded and held in confidence. County agrees not to reproduce, distribute or disclose to non-County entities any such proprietary and/or confidential items without the prior written consent of Contractor.

County shall inform Contractor as soon as practicable of any claim or action alleging such infringement or unauthorized disclosure, and shall support Contractor's defense and settlement thereof.
- 63.2 In the event any equipment, software or services product becomes the subject of any complaint, claim, or proceeding alleging infringement or unauthorized disclosure, such that County's continued use of such item is formally restrained, enjoined, or subjected to a risk of damages, Contractor, at its sole expense, and providing that County's continued use of the system is not materially impeded, shall either:
- Procure for County all rights to continued use of the questioned equipment, software or services product; or

STATEMENT OF WORK

1. GENERAL

1.1 INTRODUCTION

This Appendix B (“Scope of Work” or “SOW”) is part of County’s Request for Proposals (“RFP”) on behalf of ISAB for Case360 Application Management Services, whereby County seeks to obtain from the selected Contractor the services of at least two (2) qualified Consultants to assist ISAB in providing application management services, including on-site technical support and some application development, for all OpenText Case360 based applications operated by the justice departments.

1.2 OVERVIEW

The scope of work under the resultant Contract shall include, but not be limited to:

- Providing day-to-day maintenance and support of Case360 applications;
- Coordinating and assisting in the deployment of new Case360 applications in production environment; and
- Providing technical support for implementing system testing, developing maintenance procedures, and developing and maintaining required system upgrade schedules.

2. MINIMUM QUALIFICATIONS

The selected Contractor and each of its proposed Consultants shall meet each of the minimum qualifications and requirements specified in *Section 1.5 (Minimum Requirements) of the body of the RFP*, which are incorporated herein by reference.

3. CONSULTANT RESPONSIBILITIES

Under the direction of County’s Project Manager, each Consultant shall perform the tasks as set forth in this Scope of Work.

The Consultants shall work closely with ISAB in the technical maintenance and support of criminal justice applications using Case360 and providing some application development services for the existing Case360 systems deployed by ISAB member agencies. The Consultants will perform the application development and technical support tasks as directed by County’s Project Manager.

Consultant’s responsibilities shall include, but not be limited to:

- Performing all work on-site at County provided facilities during normal business hours (8 a.m. to 5 p.m., Monday through Friday, except County holidays) for the duration of the project. Prior written authorization by County’s Project Manager shall be required for all work performed off-site.

- The Consultants shall have proven experience and execution skills, including excellent written and interpersonal skills, ability to work creatively and analytically in a problem-solving environment and excellent client relationship skills.

4. SCOPE OF SERVICES

The selected Consultants will be required to provide at the minimum the services specified in this *Section 4* below.

The County currently has a number of Case360 applications in production or in development for production deployment soon, with additional Case360 applications in discussion for future development. These include:

1. DNA Offender Tracking System (DOTS)
2. Alternate Public Defender Document Management System
3. Sheriff's Records and Identification Bureau Request Tracking System
4. Sheriff's Electronic Criminal Document Archive (SECDA) System
5. District Attorney Document Management
6. Public Defender Forms Project

Like any enterprise software platform, Case360 requires platform expertise to manage and maintain, including tasks such as setting up and configuring Case360 applications, addressing application change requests, applying updates and generally assuring the health and reliability of systems. With multiple applications in or nearing production, economies of scale can be realized by having a single resource maintain those applications. The application management services sought by this RFP are designed to maintain County's Case360 production systems from end-user administration through application enhancement and system upgrades. Consultants will work with the County resources to ensure that the systems are managed and maintained as designed and are kept up-to-date with the latest releases and features of the OpenText Case360 base product. Consultants must have knowledge of best practices for keeping a production system up-to-date and must be able to develop and maintain high availability and business continuity strategies.

Consultants will provide the day-to-day maintenance and support for County's Case360 applications. Consultants must have deep hands-on-experience with the Case360 product and its operation in production environments. Tasks ranging from user administration to workflow enhancements to software patch installations will all be provided by the Consultants. Consultants will also be engaged with OpenText Worldwide Support to resolve any product related issues that may arise. Consultants will work with the respective business managers to set task lists and priorities.

"Confidential Information" means all information or material disclosed to or known by me as a consequence of my employment with Contractor, including third party information or information disclosed by County that Contractor treats as confidential, and any information disclosed to or developed by me or embodied in or relating to the Works.

All Works shall belong exclusively to Contractor whether or not fixed in a tangible medium of expression. Without limiting the foregoing, to the maximum extent permitted under applicable law, all Works shall be deemed to be "works made for hire" under the United States Copyright Act, and Contractor shall be deemed to be the author thereof.

If and to the extent any Works are determined not to constitute "works made for hire," or if any rights in the Works do not accrue to Contractor as a work made for hire, I irrevocably assign and transfer to Contractor to the maximum extent permitted by law all right, title and interest in the Works, including but not limited to all copyrights, patents, trade secret rights, and other proprietary rights in or relating to the Works. Without limiting the foregoing, I irrevocably assign and transfer to Contractor all economic rights to the Works, including without limitation the exclusive and unrestricted right to reproduce, manufacture, use, adapt, modify, publish, distribute, sublicense, publicly perform and communicate, translate, lease, import, export, transfer, convey and otherwise exploit the Works.

I expressly approve any and all modifications, uses, publications and other exploitation of the Works that Contractor or any successor or transferee of Contractor may elect to make, and I expressly agree that no such modifications, uses, publications or exploitations will or may cause harm to my honor or reputation, or will be deemed to constitute a distortion or mutilation of the Works.

I agree to provide any assistance reasonably requested by Contractor, now and in the future, to obtain United States or foreign letters patent and copyright registrations covering inventions and original works of authorship belonging or assigned to Contractor. I shall execute any transfers of ownership of letters patent or assignments of copyrights or other proprietary rights transferred or assigned hereunder (including short form assignments intended for recording with the U.S. Copyright Office, the U.S. Patent and Trademark Office or any other entity). If Contractor is unable for any reason whatsoever, including my mental or physical incapacity, to secure my signature to apply for or to pursue any application for any United States or foreign letters patent or copyright registrations or on any document transferring or assigning any patent, copyright or other proprietary right that I am obligated to transfer or assign, I irrevocably designate and appoint Contractor and its duly authorized officers and agents as my agent and attorney in fact, to act for and on its behalf and stead to execute and file any such applications and documents and to do all other lawfully permitted acts to further the prosecution and issuance of letters patent or copyright registrations or transfers or assignments thereof or of any other proprietary rights with the same legal force and effect as if executed by me. This appointment is coupled with an interest and is irrevocable.

This agreement shall be construed in accordance with the provisions of Section 2870 of the California Labor Code (the text of which follows) relating to inventions made by an employee. Accordingly, this agreement is not intended and shall not be interpreted to assign to or vest in Contractor any of my rights in any inventions developed entirely on my own time without using Contractor's equipment, supplies, facilities, or trade secret information, except for those inventions that either relate at the time of conception or reduction to practice of the invention to Contractor's business or the actual or demonstrably anticipated research or development of Contractor, or result from any work I performed for Contractor.

California Labor Code Section 2870. Employment Agreements; Assignment of Rights

- (a) Any provision in an employment agreement which provides that an employee shall assign or offer to assign any of his or her rights in an invention to his or her employer shall not apply to an invention that the employee developed entirely on his or her own time without using the employer's equipment, supplies, facilities, or trade secret information except for those inventions that either:
 - (1) Relate at the time of conception or reduction to practice of the invention to the employer's business or actual or demonstrably anticipated research or development of the employer; or
 - (2) Result from any work performed by the employee for the employer.
- (b) To the extent a provision in an employment agreement purports to require an employee to assign an invention otherwise excluded from being required to be assigned under subdivision (a), the provision is against the public policy of this state and is unenforceable.

I expressly acknowledge and agree that I wish to remain anonymous and not to have my name or any pseudonyms used in connection with any Works, goods or services I provide under this agreement or the above referenced Contract.

I acknowledge that violation of this agreement may cause irreparable harm to County, which may not be compensated by monetary damages, and may subject me to civil and/or criminal action and that the County of Los Angeles may seek all possible legal and equitable redress, including, without limitation, injunctive relief.

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

SAFELY SURRENDERED BABY LAW

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés *Sin Peligro*

Los recién nacidos pueden ser entregados en forma segura al personal de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles

Sin pena. Sin culpa. Sin nombres.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre o el adulto que lo entregue recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazaletes con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.
